GLENIFFER HIGH SCHOOL HUB PROVISION

Dear Parent/Carer

I hope this letter finds you and your family safe and well.

Due to the phased return of some senior pupils next week, the hub provision requires to be more flexible. This means pupil groupings may change from day to day, as will the classrooms being used. As a result, it is vital that hub pupils pay close attention to safety measures, which include physical distancing in classes and additional hygiene measures.

Due to increased numbers of pupils from 22nd February, we require **all pupils** attending school to wear uniform. This increases comfort for pupils going between hub and practical subjects and also helps with security of our building. Thank you in advance for your support with this.

If your child has a device at home such as a chromebook or laptop it would be helpful for them to bring it from 22nd February. A number of our ICT suites will be allocated to senior phase pupils, which reduces our access to PCs at some points throughout the week. We can organise school wifi access and will of course do all we can to manage resources so that your child's learning is not interrupted.

If your hub requirements need to change, please get in touch with the school at glenifferhighenquiries@renfrewshire.gov.uk or call 0300 300 1313.

Finally, could I request that pupils are only attending the hub on the days you are needed as a keyworker.

Can I thank you all sincerely for your support with our hub, which has been running very smoothly.

Kind Regards

Lisa Chalmers
