Our Ref: PiP2019

Date: 22<sup>nd</sup> August 2019

Dear Parent/Carer,

This year we will once again be running our 'Parents in Partnership' programme. This provides an opportunity for you to find out about your child's experience of school by coming in and experiencing some lessons, meeting teachers and other school staff, and working with us to find ways to better support your child together. There are also opportunities to pick up some useful life skills, meet other parents and help us to build our school community.

Sessions will run fortnightly on Thursday mornings throughout the year, and you are welcome to join as many or as few as you like. At each session teachers will teach a fun and friendly lesson, in subject classrooms, designed to give parents an understanding of their child's learning experience, and in some subjects you will be joined in the class by your child. We will also have experts delivering sessions on life skills or other ways to support your child's wellbeing, along with the chance to discuss issues with staff and other parents and deal with any questions or concerns which might arise over the course of the year.

Parents who have participated in the past have been extremely positive about the experience and research shows that when parents / carers and schools are engaged with each other, the child is much more successful.

Please let us know if you are interested in joining us by filling in your details on the attached sheet and ticking which sessions you will attend. If you have any questions, please get in touch with me or Mrs Futamata.

Yours faithfully,

Mr G Baynham
