

## Download Microsoft Office at home for free

Did you know you can download the Microsoft Office suite at home through Glow? This is a fantastic resource that you can download free of charge on up to 15 devices at home.

When you log in to Glow you are taken to the Gleniffer High launch pad

Scroll down to find this icon:

Click the link and follow the instructions. There are Windows and Mac versions available. Apps for tablets and phones can also be downloaded via the App Store; just log in with your Glow email address and password. This is a fantastic resource so make the most of it. Any teacher can help you if you have forgotten your email address or password.
