

EXTRA-CURRICULAR ACTIVITIES 2019-20

Welcome to our extra-curricular programme for session 2019-20.

Inside you will find a wealth of activity for pupils at lunchtime and after school.

We want our learners to have fun at school and involvement in the wider life of the school helps them get to know other pupils, staff and develop new skills as well as simply enjoy themselves.

Please take some time to review the programme and discuss with your child the range of activity on offer. They might be experienced in something or just want to have a go at something new.

On the back page you will find information on other activities which take place throughout the year, pupils can be involved with.
