### S1 – S6 Mathematics and Numeracy Pathways

#### Progression through the Broad General Education (BGE) and the Senior Phase

After following the BGE in Primary School, S1, S2 and S3, there are different pathways through the Senior Phase. The table below shows the progression that learners may make from S1 to S6.

Learners may follow Mathematics or Applications of Mathematics courses.

Pathway	S1	S2	S3	S4	S5	S6
1	Second Level	Second/ Third Level	Third Level/ N3 Applications of Mathematics	N3 Applications of Mathematics and N3 or N4 Numeracy	N4 Applications of Mathematics and N4 or N5 Numeracy	N5 Applications of Mathematics and N5 Numeracy
2	Second Level	Second/ Third Level	Third Level/ N3 Applications of Mathematics	N4 Applications of Mathematics and N4 Numeracy	N5 Numeracy	N5 Applications of Mathematics
3	Third Level	Third Level	Fourth Level/ N4 Applications of Mathematics	N4 or N5 Applications of Mathematics and N4 or N5 Numeracy	N5 Applications of Mathematics and N5 Numeracy	Higher Applications of Mathematics
4	Third Level	Third Level/ Fourth Level	Fourth Level/ N4 Mathematics	N4 Mathematics and N5 Numeracy	N5 Mathematics	Higher Mathematics
5	Third Level	Third Level/ Fourth Level	Fourth Level/ N5 Mathematics	N5 Mathematics and N5 Numeracy	Higher Mathematics	Advanced Higher Mathematics
