

# Celebrating Pupil Achievement

## 2019-20

*Due to circumstances this session, we have had a halt in proceedings. However, prior to school closures on 20<sup>th</sup> March our young people were achieving great things in and out of school. While some of these we might not have been able to see though to conclusion, we recognise their efforts in a wide range of activities.*

*The young people of Gleniffer High School achieve in a variety of different areas and contexts including learning, sports, creative arts, volunteering, charities, service and personal achievements.*

*We are very proud of the achievements of our pupils in school and in their wider lives.*

*This booklet contains a selection of outstanding achievements in session 2019-2020.*

*Gleniffer High School strives to ensure our pupils are given every opportunity to fulfil their potential and reach their goals.*

## Sports Leaders

The Sports Leader course is designed to equip young people with the skills required to progress into sports coaching and volunteering. Many of our former pupils work within Renfrewshire Leisure, Active Schools, volunteer at local sports clubs or study Sports Coaching at University and college.

This year working in partnership with a number of national governing bodies, the students were very fortunate to achieve a number of coaching qualifications.

### NGB Awards

- Cycling Scotland: Cycle Training Assistant
- Basketball Scotland: Introductory "Make it Happen" coaching award.
- Scottish Volleyball: Introductory coaching award.
- British Heart Foundation: Heart Start Award
- Emergency First Aid SCQF Level 6

Back in August our students completed the Cycle Training Assistant, allowing them to help younger pupils develop their cycling skills.

On a weekly basis, the seniors developed their planning and communication skills, allowing them to coach within our cluster primaries; under the close supervision of the PE department and Active Schools tutors. After the successful four-week primary placement,

the students worked hard to further develop their coaching abilities and content knowledge.

Coaching is very rewarding, and our seniors have enjoyed working closely with our cluster primaries and S1 pupils. Witnessing the young people grow, developing not only their own personal, physical literacy but also enhancing their self-confidence and esteem.

Well done to all the Sports Coaches who completed the Community Sports Leader Award.

### Malawi 2020 Group

Our Malawi 2020 group have had a particularly disappointing end to their journey -at the final step, they have been unable to travel to the country for their expedition. They have had an amazing experience nonetheless, forming strong bonds, developing their team work and their own leadership and confidence. They have achieved Heartstart qualifications, organised the Malawi Ball and various fundraisers, presented to parents and carers, camped in training for their expedition, organised a 50/50 draw and much more.

Well done to: Laine Alemu, Ebo Anyebe, Rebecca Brindley, Emily Deans, Elena Dickson, Charlotte Donnelly, Connor Donnelly, Matthew Fairlie, Cormac Finnin, Abbie Herd, Lauren Kent, Beth Kydd, Jessica Learmonth, Kirsty Lyle, David McCartney, Max McGuire, Mirren McIlroy, Shannon Paul, Allan Sinclair, Kate Salisbury, Rebecca Stevenson.

Recognition also for Beth Scott who donated £700 to Classrooms for Malawi.

## STEM GOLD AWARD

Lewis Brooks, Daniel Coutts, Craig Gibson, Ben Punton, Rhys Turner and Jonathan Wright were UK finalists in the EDT Industrial Cadet Awards 2019. The boys travelled to London to take part in the final, following success in their design of an eco-friendly house in a Scotland wide competition.
