GLENIFFER HIGH SCHOOL HUB PROVISION UPDATE

Dear Parent/Carer

I hope this letter finds you and your family safe and well.

As you will know, pupils will have a blended approach to learning from 15th March. Our hub provision will still run, however the challenges of accommodating the return of pupils with 2m distancing means that there is a need for more flexibility.

Pupils attending the hub may continue to do so. On the days they are timetabled to be in classes (either morning or afternoon) they may attend the hub for the other part of the day, through to the normal closing time. Pupils who require school transport home, will need to finish at 3pm to get the school bus.

Each morning, whether attending a class or not, hub pupils should continue to report to the social area so that we can clarify plans for the day, organise lunch orders and confirm lunchtimes. Lunch provision will be flexible to allow pupils to attend classes.

Strict 2m distancing will be in place during hub provision and pupils are required to wear a face covering unless exempt. A range of staff will supervise hub provision throughout the day and the young people will now be based in the school library.

If your child has a device it would be helpful if they could bring it to school, if possible.

If you have not yet completed the survey which was sent out on 10th March, please contact the school office as a matter of urgency to confirm your hub requirements.

I appreciate your support and will be happy to continue to offer this support to your family over the next few weeks.

Kind Regards

Lisa Chalmers
