Dear Parent/Carer

LATERAL FLOW TESTING KITS

In order to be prepared for a return to school, pupils have been issued with letters and consent forms regarding Lateral Flow Testing. Whilst this is not compulsory, it is encouraged that pupils S1-S6 and staff participate.

S1-3

If you have consented to your child participating in lateral flow testing, we will start to issue kits on Wednesday and Thursday before we finish up for the holidays. So long as we have a completed consent form from a parent or carer, we will issue two boxes containing three tests for young people to use on their return to school after the holidays. These are only for pupil use and should not be given to any other family members. An instruction booklet will also be issued with the kits. Any pupils who have forgotten their consent form can get their test kits on the first day back after the holidays.

S4-6

Any young people requiring replacement kits will be able to collect them from the stage end of the social area at the start of the learning block on Wednesday and Thursday this week.

After the holidays we will have a collection point with times clearly identified for pupils to collect replacement kits throughout the week.

Kind Regards

A handwritten signature in black ink that reads "Lisa Chalmers".
