Date:

Dear Parent/Carer

A limited Easter School provision is being offered during the next two weeks. A link has been sent on Satchel One to S4/5/6 pupils, which they must complete by **10am on Thursday** to allow us to make up class lists and make health and safety arrangements.

Link to Easter School Sessions

<https://forms.office.com/r/Qa5KsiNp7s>

A copy of the timetable is on the school website, you will notice classes are either being run by your child's teacher or there is a wider remote offer in place.

**Important information already given to pupils.**

*Due to covid-19 guidance we have to take a different approach to Easter School this year. Sessions will run either morning or afternoon and may be in school or online. For the most part sessions will be offered by your own teacher but in some cases the online support is offered to all pupils sitting that level. Not all subjects are being offered.*

- *You should look for **your class and teacher** to select the sessions you want to attend.*
- *You don't need to wear school uniform (if in school) and should use the main entrance doors.*
- *Please wear a face covering (unless exempt) and sanitise your hands when you come into the school. You should go straight to your normal classroom.*
- *If you are participating in lateral flow testing, you should continue to test throughout the holidays if attending in school classes.*
- *There is no lunch provision.*
- *Teachers will send links for the remote sessions which will take place on MS Teams.*

*Unfortunately there is a very tight deadline of 10am on Thursday morning to let us organise class numbers and health and safety arrangements. The full timetable will be added to Satchel One and the school website*

This is a great opportunity for pupils to get extra support in advance of the SQA Assessment period. I would strongly encourage attendance.

Kind Regards

Lisa Chalmers
