## UNIFORM

Dear Parent/Carer

There are some issues around lack of school uniform. School uniform promotes our school identity, good order and provides equity for young people. Last session we decided to allow young people to come in PE kit if they had PE first thing and leave at the end of the day in kit if they were there last period.

Unfortunately, a significant number of young people are now not bringing uniform to change into or deliberately not changing despite repeated requests. I am sure there are many conversations in your homes about uniform and so to make things clear and equitable for all, from Monday pupils are expected to come to school and leave in full uniform.

I am very aware that our young people have had a challenging year and that the old routines may have slipped. However, with a consistent and fair approach hopefully we can support them to get back into their school routines.

If there are any issues with uniform at all, please do not hesitate to contact the school and discuss with a member of staff. We will do all we can to support you.

This message was shared with pupils this week so they should be aware.

Kind regards
