Date:

18<sup>th</sup> June 2021

Dear Parent/Carer

## LATERAL FLOW TESTING KITS

To be prepared for the return to school in August, pupils who have consent for lateral flow testing, should ensure they take a new kit before the end of this term. This will allow our learners to start testing prior to the return to school.

Primary 7 pupils will be issued with a consent form on their transition days, which can be returned to the school on the in-service days (12<sup>th</sup> and 13<sup>th</sup> August) and a test kit with instructions collected. A copy of the consent form can also be found on our website.

Parents and carers must sign consent for young people under the age of 16 before any test kits can be issued.

We strongly encourage the use of lateral flow testing to reduce the risk of transmission in our school community.

All other health and safety mitigations relating to covid will be reviewed over the summer as guidance is updated by Scottish Government.

Kind Regards

A handwritten signature in purple ink that reads "Lisa Chalmers".
