## Notification of SQA provisional results and appeals process – June 2021

Dear Parent/ Carer,

We will email your child's SQA provisional results to them in the last week of this term.

To ensure that your child receives this information, I ask you to check that your child knows their Glow email address, the password for the account and that they can access the email account. If this could be checked by Monday 21<sup>st</sup> June please.

If your child is unable to access the Glow email account, they should speak to their Principal Teacher of Pastoral Support on Monday morning. The pastoral support teacher will be able to give them a note of the required information and re-set passwords.

These results are evidence based. Teachers are using a range of assessment evidence, backed by a programme of quality assurance checks, to determine provisional results. Every effort is being made to ensure that learners get the right result, first time. However, should your child decide they would like to appeal the result, they should do so by contacting SQA directly. On our return to school, the evidence gathered will be submitted to SQA by the school. No new evidence may be submitted.

SQA have published an Appeals process for this year. The link below will take you directly to the SQA site and the information required, should a learner have grounds to support an appeal.

Please do not hesitate to contact Miss Feggans, DHT Pupil Attainment, if you require any additional information.

Yours sincerely,

A handwritten signature in purple ink that reads 'Lisa Chalmers'.
