

October 2021

Supported Study – Session 2021-22

Dear Parent/ Carer,

We are extending our Supported Study programme this session. Supported Study will run during October (from week beginning 18th), November, January, February and March. Easter school will also be available over the Easter holiday period. Master classes will be offered during the SQA Exam diet. I will arrange notification to parents/ carers and learners in advance of all offers over this session.

Please find below a copy of the Supported Study calendar for classes available over October and November 2021. Prior to the October holiday, learners should register their intention to join classes with the teacher offering the Supported Study session.

It is hoped that pupils in S4 – S6 will take full advantage of this offer of additional tuition.

Please do not hesitate to contact me should you require any additional information.

Yours sincerely,

Miss E Feggans
DHT Pupil Attainment

October Supported Study classes – from Week beginning 18th October 2021

Miss	McCullagh	Spanish	N5	Monday
