Dear Parent/Carer

Timetable change for new S5 and S6

I hope that all of our current S4 and S5 students have had a successful exam diet or Enrichment Programme and are ready to return to school and take on the role of senior students.

The new timetable starts on Monday 30th May. In order to allow us to issue timetables in an organised manner, we ask that new S5 and S6 students attend a welcome assembly at the following times:

new S5 – Monday 30th May at 8.50am

new S6 – Monday 30th May at 10.50am.

The new timetables are based on the options selected during the options programme in January/February of this session. During the month of June, students will follow this timetable and will have the chance to renegotiate their options after the SQA results are issued in August. A separate letter will be sent with information about the renegotiation process.

Unfortunately, we have not been able to meet all the options for some students. After each assembly, there will be an opportunity for affected students to make an appointment to discuss their options. In the meantime, until they have had their appointment, students should follow the timetable they have been issued.

College courses will not start until August, however, West College is organising induction events for all successful applicants in June. Further information will be provided as we receive it.

Please do not hesitate to contact the school if you have any questions.

Yours sincerely,

Heather Prentice
