Dear Parent/Carer

The Prelim Examinations for pupils in S5 and S6 sitting Higher exams will commence on Monday 9 January 2022. Pupils must attend school throughout the examination period. Pupils will either be sitting an examination or studying in classes. If your child studies at home they will be marked absent and must bring a note on their return.

Pupils coming into school for an exam or to study, **should be appropriately dressed in school uniform.**

It is important that pupils perform as well as they possibly can in these examinations since they form the basis of any "Absentee Appeal" the school may make on their behalf. Success comes about after hard work and study. Consequently, I would ask you to ensure that your son or daughter revises conscientiously and uses the time between examinations profitably.

Should your son or daughter be prevented by illness from sitting any examination, please telephone the school office (0300 300 1313) either before, or on the day of the exam.

These examinations are exceptionally important and so the highest standard of pupil behaviour is expected.

If you wish any further information regarding these arrangements, please do not hesitate to contact me.

Yours sincerely

Lisa Chalmers
