Celebrating Achievement

The young people of Gleniffer High School achieve in a variety of different areas and contexts including learning, sports, creative arts, volunteering, charities, service and personal achievements.

We are very proud of the achievements of our pupils in school, and in their wider lives.

This booklet contains a selection of outstanding achievements in session 2022-2023.

Gleniffer High School strives to ensure our pupils are given every opportunity to fulfil their potential and reach their goals.

A close-up, low-angle shot of several runners in starting blocks on a red athletic track. The runners are in a crouched starting position, with their hands and feet firmly planted in the white starting blocks. The track surface is a vibrant red, and white lane markings are visible. The background is slightly blurred, focusing attention on the runners' hands and feet. The overall tone is professional and energetic.

Hearty Lives

This year we had our biggest uptake of pupils with 19 S3 pupils opting to be part of the peer education mental health programme.

This session we worked closely with Headstrong Minds who delivered three workshops for our group on Anxiety and Addiction.

This gave the group the tools to create their own lesson material and deliver mental health, anxiety and addiction lessons to S1 PSE.

Martial Arts

- Adam Earl achieved 7th Kup in TaeKwon Do.
