Gleniffer High School Handbook – Additional Information

The Education (Scotland) Act 1980 uses the broadly framed definition of 'parent'. This is as follows:

"Parent" includes guardian and any person who is liable to maintain or has parental responsibilities (within the meaning of section (13) of the Children (Scotland) Act 1995) in relation to, or has care of a child or young person;

This is a wide definition which might, by way of example, include:

- non-resident parents who are liable to maintain or have parental responsibilities in respect of a child;
- carers who can be parents;
- other with parental responsibilities, e.g. foster carers, relatives and friends who are caring for children and young people under supervision arrangements; and
- close relatives, such as siblings or grandparents caring for children who are not looked after or are under home supervision arrangements

Everyone who is a parent, as defined in terms of the 1980 Act, has rights under the Act. This includes the right to receive advice and information about their child's education, general information about the school, to be told about meetings involving their child, and to participate in activities, such as taking part in decisions relating to a Parent Council. Education authorities and schools should treat parents equally, the exception to this general requirement being where there is a court order limiting an individual's exercise of parental rights and responsibilities. It is for education authorities to advise schools on the application of these rights in individual cases.

Registration and enrolment

Pupils are normally transferred from primary to secondary between the ages of 11 years 6 months and 12 years 6 months, so that they have the opportunity to complete at least four years of secondary education.

Parents of pupils who have moved to the area or who want their child to transfer to the school should contact the school office for information about appropriate procedures, and to arrange a visit. **The senior leadership team have responsibility for school enrolments by year group. Requests to enrol your child will be passed to the appropriate member of staff via the school office.**

Parents who want to send their child to a school other than the catchment school should make a placing request. The procedure for making a placing request is explained in the leaflet 'Sending your child to school.' You can pick this leaflet up from any school, call our customer contact centre, 0300 300 0300, to have a copy sent to you, or download the form from the council website:

www.renfrewshire.gov.uk

School security

Renfrewshire Council has introduced procedures to ensure the safety and security of pupils and staff when attending or working in a school. We use a number of security measures, including a visitors' sign in book, badges and escorts while visitors are within the school building. Normally, anyone visiting a school for any reason will be asked to report to the school office. The school staff then make the necessary arrangements for the visit.

School Transport

Renfrewshire Council's policy is to provide home to school transport to all secondary school pupils who live more than 3.219 kilometres (2 miles) from their catchment school by the recognised shortest safe walking route. Parents who think their child is eligible for home to school transport can get an application form from the school or Children's Services in Renfrewshire House or online at <http://www.renfrewshire.gov.uk/article/3486/Home-to-school-transport>. These forms should be completed and returned before the end of February for those pupils beginning school in August to allow appropriate arrangements to be made. However, parents may make an application at any time.

In special circumstances the Director of Children's Services has discretion to grant permission for pupils to travel in transport provided by the education authority, where spare places are available, at no additional cost to the authority.

Pickup points

Where we provide home to school transport, pupils may need to walk a reasonable distance from home to the transport pick-up point but this should not exceed 3.219 kilometres (2 miles).

It is the parent's responsibility to make sure that their child arrives at the pick-up point on time and behaves in a safe and acceptable manner while boarding, travelling on and leaving the vehicle. Pupils who misbehave can lose their right to home to school transport.

Placing requests

Renfrewshire Council does not provide transport for those pupils who are granted a placing request other than in exceptional circumstances.

Assisted support needs

Renfrewshire Council may provide free home to school transport for children assessed to attend any school because of their assisted support needs. The educational psychology service will normally carry out the assessment. We also provide seat belt and wheelchair restraints needed to transport pupils.

The weekly allowance is paid every second week in arrears directly into the student's bank account.

For more information, please contact either the school office, Renfrewshire Council's Customer Service Centre on 0300 300 0300 or email ema.els@renfrewshire.gov.uk

Part time employment

Pupils under school leaving age who want to work before or after school or at the weekend, need to hold a work permit. Pupils can get application forms from the school. Forms must be completed by employers, parents and the head teacher and returned to the school. Permitted working hours during term time are 2 hours per school day, 2 hours on a Sunday and 8 hours (over 15 years of age) or 5 Hours (under 15 years of age) for any other day (i.e. Saturday). Outwith term time, the maximum total working hours in a week are 25 hours for those under 15 years of age and 35 hours for those over 15 years.

Parents are asked to co-operate with the school to make sure that the amount of time spent working doesn't interfere with homework expectations and studying for SQA examinations.

The Scottish Attainment Challenge

Attainment Challenge and Pupil Equity Funding (PEF)

- The Scottish Attainment Challenge, launched in 2015, is about achieving equity in education. This can be achieved by ensuring every child has the same opportunity to succeed. Renfrewshire is one of nine 'challenge authorities' who have received funding to improve literacy and numeracy and health and wellbeing, with a particular focus on closing the poverty-related attainment gap.
- The Pupil Equity Fund (PEF) is being provided as the Attainment Scotland Fund. The PEF is allocated directly to schools and targeted at closing the poverty related attainment gap. Every council area is benefitting from the fund and is based on the number of pupils in P1-S3 known to be eligible for free school meals. The funding is to be spent at the discretion of the head teacher working in partnership with parents, pupils and staff to devise plans which focus on closing the poverty-related attainment gap.

School Lets

The sale and/or consumption of alcohol on school premises is prohibited. No applications for occasional licences by the school, Parent Council or other party hiring or using the school premises should be made to allow for the sale of alcohol on school premises.

To apply to use school facilities, contact OneRen. Contact details are in the important contacts section at the end of this handbook.

Listening to Learn – Complaints, Comments and Suggestions

Renfrewshire Council encourages feedback on its services from parents and pupils as part of our overall commitment to giving the best possible service and to working in partnership. We are interested in feedback of all kinds, whether it be compliments, suggestions or complaints.

If you want to register a comment of any type about the school you can do this by writing, telephoning or making an appointment to see someone. All feedback is welcome and keeps us in touch.

If, in particular, you have a complaint about the school, please let us know. It is better that these things are shared openly and resolved fairly, rather than being allowed to damage the relationship between the family and the school. There will be no negative consequences from making a complaint and we will deal with the issue confidentially. If we have made a mistake, we will apologise quickly and clearly and try to put things right.

There are some things which you should be aware of when making a complaint:

- Complaints about the school should be made first to the head teacher.
- It is helpful if you can give some details of the issue and ask for an early appointment to discuss it.
- We want to resolve complaints as quickly as possible. You will get a decision on your complaint in five working days or less, unless there are exceptional circumstances. If it is going to take longer than five working days, we will let you know.
- If you are not happy with the response to your complaint, you have the right to take it further. You can fill in a complaints form (available from the school or any council office), fill in the online form, write to us, email us at complaints@renfrewshire.gov.uk, or call us on 0300 300 0170. At this stage, we will carry out an in-depth investigation. We will acknowledge receipt of your complaint within three working days, and give you a full response within twenty working days. If the investigation is going to take longer than this, we will contact you to discuss timescales.
- If you are still unhappy after the further investigation and our reply you can take the matter up with the Scottish Public Services Ombudsman. Our reply will include the contact details.
- You should also note that you have the right to raise unresolved concerns with your local councillor, MSP or MP.

Data Protection

Information on pupils, parents and guardians is stored on a secure computer system and may be used for teaching, registration, assessment and other administrative purposes. The information is protected by data protection laws, including the UK General Data Protection Regulation (UK GDPR) and the Data Protection Act 2018, and can only be shared or disclosed in accordance with those laws. To find out more about how your personal information is used, please consult the Council's general Privacy Policy, here:

<https://www.renfrewshire.gov.uk/article/2201/Privacy-policy>

Pupils attending any type of school have a right of access to their own information by virtue of the Data Protection Act 2018. This is known as the right of subject access. When a child cannot act for themselves or the child gives permission, parents will be able to access this information on their behalf. The Pupils' Educational Records (Scotland) Regulations 2003 give parents and carers a specific right of access to their child's educational records. You can find out how to make a Subject Access Request or a request for Educational Records, by visiting the Council's Data Protection page, here:

<https://www.renfrewshire.gov.uk/article/2059/Data-protection>

For specific data protection queries, please contact the school directly.

Information in Emergencies

We make every effort to maintain a full educational service, but on some occasions circumstances arise which lead to disruption. Schools may be affected by severe weather, traffic and transport disruption, power failures or fuel shortages. In such cases, we do all we can to let you know when we are closing and reopening the school or nursery.

We use a variety of methods to keep you updated in emergency situations including: e-mails, our schools digital newsletter, text messages, the school and council websites and Renfrewshire Council's social media channels (Facebook - renfrewshirecouncil and Twitter - @RenCouncilNews).

Further information may also be provided through letters, announcements in the local press, local radio, or notices in local shops, churches and community centres.

Please ensure we have the most up-to-date emergency contact information for your family and you are following the council's social media channels. You can sign up for the school's digital newsletter via www.renfrewshire.gov.uk/e-alerts.
