S3 Exams

Dear Parent/Carer

S3 Exams will take place on Wednesday 7th May until Thursday 15th May 2025.

Pupils will follow their normal school timetable and assessment blocks will take place during double periods in the subject which corresponds to their column choice outlined below.

Pupils will not be given study leave for these exams and should follow their normal timetable when not undertaking an assessment.

Pupils should be in full school uniform and come to exams readily equipped (pencils/pens/calculators as appropriate).

These exams are under exam conditions and therefore pupils will not be allowed to have access to their mobile phones and or smart watches alongside personal belongings (bags/jackets etc.) these will be stored safely in the classroom away from their examination table.

All learners who are entitled to additional arrangements during assessment periods will have this factored into their examinations in class by their class teacher.

Help with studying approaches can be found via this link:

<https://www.glenifferhigh.renfrewshire.sch.uk/news/get-exam-ready/>

The best advice and support will come from their class teachers, this is where pupils should start with guidance on approaches for their subject area.

Below is the timetable which indicates when the assessments will take place each day for each subject. Exams will take place within a double period block, with exception of practical cookery which will require some time of Period 5 for clear up following their cooking assessment, this is clearly indicated on the timetable below for Monday and Thursday under columns A and E.

Pupils normally attend a single period of Maths and English on a Wednesday for periods 5 and 6, for the duration of the examination period, pupils will sit their exam in English week 1 (periods 5 and 6) and then Maths week 2.

The exam structure means that pupils are sitting exams in the subjects they normally attend during this time. E.g. Thursday period 1 and 2 means that all subjects in column C will have an exam. This is the subject that the pupil normally attends on a Thursday P1 and P2.
