Plumbing	Only attend if text received confirming place.

During the induction weeks, students will be asked to enrol at college and will be required to know the information below. Students need to be able to provide the following information:

Address and Postcode

Next of Kins name and phone number

Their own phone number

Date of birth

The college has also asked that students have or create a personal email address and know the password for this, as the new college system will not accept school email addresses because they are not classed as permanent mail addresses as they are limited to their time in school.

Pupils should report to reception 10 minutes before their course starts where they will be met and escorted to the correct area. Pupils are expected to make their own way to and from college on public transport using their national entitlement card.

Please pass this information on to your child and if you have any questions, don't hesitate to contact me at the school.

Yours sincerely,

*Steven Gould*
