Results

Exam results will be distributed on the 5th of August.

MySQA is your direct link with SQA. It lets you view your qualification information, check the personal details we hold for you and if you're sitting exams you can get your results sent by email and text message. Please sign up for this via the below link:

Appeals

If you have concerns about a grade (or grades) on your results certificate, you can use the free appeals service. You can appeal directly to us or ask the school to do this for you on your behalf. The service will open on Results day, Tuesday 5 August, at 9 am, and the learner direct submission deadlines are:

- Tuesday 12 August at 11.59 pm for priority appeals
- Tuesday 26 August at 11.59 pm for all other appeals

Your appeal can be prioritised if you have a conditional place at university or college, or in training or employment that depends on your grade.

If you appeal your grade, a senior marker will carry out a marking review of your SQA-marked assessments.

The senior marker will review your responses to all externally marked questions and assignments. They check that the marks awarded by the marker are in line with the marking standards agreed at the markers briefing and the marking instructions.

In addition, they also check that:

- all parts of your SQA-assessments have been marked;
- the marks given for each answer have been totalled correctly
- the correct result has been entered on our system.

Please note that after being reviewed, your result could stay the same, go up or go down. Any concerns in relation to appeals should be made direct with Mrs Martin.

Impact on Options

We understand that results can impact decisions around subject progression. Senior Leaders will be in school on 6th and 7th of August 9.30-12.30PM to discuss options re-negotiations. Appointments can be made by contacting the school office.

Kind Regards,
