Dear Parent/Carer

S1 Photographs – Colorfoto Photography

Colorfoto Photography will be visiting the school on Wednesday 26 August to photograph all S1 pupils. Each pupil will be photographed individually.

Proof packs for each pupil will be sent to the school and you will have the opportunity to purchase a memento of your child's school years.

The packs will contain instructions on how you can purchase the photographs. There is, however, no obligation to buy the photographs.

Please do not hesitate to contact me at the school for further information.

Yours sincerely
