Our Ref:DM

Date:

To: Parents/Carers of Pupils in S3/4/5/6

Dear Parent/Carer,

We are pleased to invite you to our **Senior Phase Information Evening** on **Thursday 10 September at 6.00pm**.

The Senior Phase is an important stage in every young person's learning journey, and as a school we are committed to ensuring that all learners are supported and challenged to achieve their full potential.

We have a strong and sustained focus on **attainment, achievement and positive destinations**, with high expectations for every learner. Our aim is to work in partnership with young people and families to provide the support, guidance and opportunities needed to secure the best possible outcomes for all.

During the evening, members of our **Senior Leadership Team** will share key information about our approach to supporting learners throughout the Senior Phase, including:

- **Our focus on attainment and achievement** and our expectations for all learners.
- **Our tracking and reporting systems**, including recent changes and how these will help us monitor progress and identify where additional support may be required.
- **Our assessment model**, and how assessment is used to support learning, measure progress and inform next steps.
- **Preparing for examinations and qualifications**, including important information about the examination process and **Qualifications Scotland**.
- **How we can work together** — school, learners and families — to promote positive engagement, sustained progress and successful outcomes

The evening is designed to provide you with a clear understanding of our Senior Phase systems and expectations, while also giving you practical information about how you can support your young person as they work towards their qualifications and future goals.

We firmly believe that strong partnerships between school, learners and families make a significant difference to achievement, and we look forward to working with you throughout the Senior Phase.

Director of Children's Services: Janie O'Neill
