Our Ref:

Date: 9th September 2026

Dear Parents and Carers

Since the start of term we have seen a significant increase in the number of parents and carers parking within school grounds for drop off and pick up at the end of the day.

This is causing significant risk to young people entering and leaving the school campus as traffic is busy and becoming chaotic. In addition, we have young people with disabilities who must be dropped and collected from the disabled bays and families are getting either no or very limited access.

I must therefore ask that **unless an agreement has been made via your child's pastoral support teacher** that parents and carers do not park in or access the school grounds for drop off and pick ups to ensure our young people can safely leave our campus. Only blue badge holders should be using the bays at the front of the building. If there is no improvement, additional measures will be put in place to ensure the safety of our young people.

Thank you for your support with this matter.

Kind Regards

Lisa Chalmers
